To extend the African Growth and Opportunity Act.

---

IN THE SENATE OF THE UNITED STATES

Mr. KENNEDY introduced the following bill; which was read twice and referred to the Committee on \_\_\_\_\_

---

**A BILL**

To extend the African Growth and Opportunity Act.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the "AGOA Extension Act  
5 of 2023".

6 **SEC. 2. FINDINGS; SENSE OF CONGRESS.**

7 (a) FINDINGS.—Congress makes the following find-  
8 ings:

9 (1) Since its enactment in 2000, the African  
10 Growth and Opportunity Act (19 U.S.C. 3701 et  
11 seq.) has been the centerpiece of trade relations be-  
12 tween the United States and sub-Saharan Africa

1 and has enhanced trade, investment, job creation,  
2 and democratic institutions throughout Africa.

3 (2) Trade and investment, as facilitated by the  
4 African Growth and Opportunity Act, promote eco-  
5 nomic growth, development, poverty reduction, de-  
6 mocracy, the rule of law, and stability in sub-Saha-  
7 ran Africa.

8 (3) Since its initial enactment, the trade pref-  
9 erence program under the African Growth and Op-  
10 portunity Act, which has bipartisan support, has  
11 played an integral role in creating economic oppor-  
12 tunity in sub-Saharan Africa, as well as supporting  
13 nearly 120,000 jobs in the United States.

14 (b) SENSE OF CONGRESS.—It is the sense of Con-  
15 gress that—

16 (1) it is in the interest of the United States to  
17 engage and compete in emerging markets in sub-Sa-  
18 haran African countries, to boost trade and invest-  
19 ment between the United States and sub-Saharan  
20 African countries, and to renew the African Growth  
21 and Opportunity Act;

22 (2) the long-term economic security of the  
23 United States is enhanced by strong economic and  
24 political ties with the fastest-growing economies in  
25 the world, many of which are in sub-Saharan Africa;

1           (3) it is a goal of the United States to further  
2           integrate sub-Saharan African countries into the  
3           global economy, stimulate economic development in  
4           Africa, and diversify sources of growth in sub-Saha-  
5           ran Africa;

6           (4) the elimination of barriers to trade and in-  
7           vestment in sub-Saharan Africa, including high tar-  
8           iffs, forced localization requirements, restrictions on  
9           investment, and customs barriers, will create oppor-  
10          tunities for workers, businesses, farmers, and ranch-  
11          ers in the United States and sub-Saharan African  
12          countries; and

13          (5) extending the African Growth and Oppor-  
14          tunity Act for 20 years provides stability for all par-  
15          ties involved and creates more time before Congress  
16          must again address its expiration.
